OFFICIAL 1981 PRESIDENTIAL INAUGURAL MEDALLION PROGRAM

Medallic Art Co. to Strike Official Issue

We are pleased to bring you news that Medallic Art Co. of Danbury, Connecticut has been commissioned to strike the 1981 Official Inaugural Medals as authorized by the Presidential Inaugural Committee. We have been informed that certain limited editions are expected to sell out quickly and suggest that you place your order at this time to assure delivery. To illustrate the point, the 2½ inch silver version will be limited to 5,000 medallions. Imagine that the 1969 Nixon Inaugural medal struck by Medallic Art Co. was limited to 20,000 medallions and was a complete sell out.

Medallic Art Co. will produce 5 versions of the medal as listed on the following page. This certainly represents a return to tradition as the Minter is known for a high degree of workmanship and has produced medals for 8 of the past 10 presidents, in addition to the Congressional Medal of Honor, the Olympic Medals and the Pulitzer Prize Medal.

ABOUT THE ARTIST

Edward J. Fraughton, a Utah sculptor was commissioned to create the original image for this historic inaugural medal. He is considered one of the famous leading Western sculptors in America today.

In Fraughton's forceful sculptural style he has created a powerful, heavily textured portrait in bas relief which dominates the obverse.

For the reverse, he has chosen the west front of the Capitol Building, the site of President Reagan's inauguration.

Mr. Mark Goldberg
Superior Stamp & Coin Co., Inc.
9301 Wilshire Boulevard
Beverly Hills, CA 90210

Dear Mr. Goldberg:

On behalf of the Los Angeles Orthopaedic Foundation and Orthopaedic Hospital may I take this opportunity to thank you and your fine firm for the assistance you provided to us in selling the Houston Barry and Charles LeRoy Lowman Collections of coins and stamps. The timeliness, professional manner and attention to the many "extras" provided by you and your associates was deeply appreciated.

As you know the proceeds of this sale will be used to fund a Research Fellowship in Pediatric Orthoapedics at Orthopaedic Hospital. The result of this Fellowship will allow us to broaden our services to even more children who have corrective orthopaedic needs. This has been our goal for the past 59 years. Your enthusiastic assistance in this endeavor shows your commitment to a better community. For this we salute you.

Please be assured that as further collections are recieved by us we will certainly invite you to auction them on our behalf.

Our best to Superior Stamp and Coin Co., Inc. during 1981.

Sincerely,

Jon B. Olson

OUR FIRST INVENTORY SELECTIONS FOR 1981

We are pleased to bring this extensive listing of U.S. coinage for every type of collector - investor - dealer. We have covered every phase of the U.S. numismatic market and are sure that we have material for both advanced and beginning collectors. In case you have not recently ordered from us, we believe that you will be pleased to find that the coins listed in this inventory have been extremely conservatively graded. As all of us are aware grading is an art and not a science. Grading standards over the years have changed with market conditions and continued collector and dealer sophistication. We therefore suggest you examine what we believe to be the most conservative grading in the industry and make the judgement yourself. All merchandise subject to seven (7) day return privilege and all coins guaranteed genuine. Payment is accepted by personal check (allow time for clearance), Cashiers' check, Money Order, Visa, MasterCard, Diners Club and American Express credit cards. Phone orders accepted. California collectors please add 6% sales tax.

SILVER COINS OF THE ANCIENT FIRE WORSHIPPERS

The Persian Zoroaster lived sometime between 1000 and 600 B.C. To worshippers of Zoroastranism fire, air, earth and water were regarded as holy and it was a sin to pollute any of them. Fire was especially held in honor, and it became an essential part of the Persian religion to maintain the sacred flame upon the fire altar.

This flame, originally kindled in heaven, was never to be extinguished . . . and indeed it wasn't, appearing on the reverse of Persian coins with an attendant on each side, throughout the 400 years of the Sassanian Dynasty (228-651).

On the obverse of these silver drachms is the ruler, with a virtually caricatured portrait and a distinctive head-dress. Only about 150,000 Zoroastrians survive today, mostly in India.

But not only did the Zoroastrians survive, so has some of their silver coinage. In our travels to the near East, we were fortunate in obtaining a small hoard of these almost 1500 year old silver drachms, struck in the 8th Century A.D. by Ispahbads of Tabaristan (lying south of the Caspian Sea.) They are in remarkably choice Extremely Fine condition and their price is equally remarkable . . . . . just $25.00 each.

INEXPENSIVE SILVER TETRADRACHMS FROM ONE OF THE LAST KINGS OF ANCIENT EGYPT

One of the generals of Alexander the Great, Ptolemy I, became the sole ruler of Egypt upon the death of his master in 323 B.C.

Ptolemy X was involved with the usual house intrigues and military actions. He married his niece Berenice III. Keeping it all in the family, when Ptolemy X died, his wife married her own father. When Ptolemy X plundered the temple tomb of Alexander the Great in Alexandria to pay his troops, the infuriated populace of the city expelled him and he died soon thereafter while attempting to raid the Lycian coast.

This Macedonian ruled over Egypt for almost forty years and then his descendants ruled for an additional 250 years until the last of the Ptolemaic Dynasty – the famous Cleopatra died at her own hand in 30 B.C.

The coins of the Ptolemies feature the King's portrait on the obverse, and the royal eagle on the reverse. The name of the King (in Greek) and the year of his reign are inscribed on the reverse.

Now you can own a piece of the glory of Ancient Egypt – a 2000 year old silver tetra drachm of Ptolemy X in nice Fine condition for only $67.50.

Order No. 01–101 Silver Tetradrachm of Ptolemy X just $67.50

Superior's New Silver Dollar Acquisition Program

IT'S TIME FOR SOME DOWN TO EARTH WORDS ABOUT RARE COIN INVESTMENTS

Suddenly everyone seems to be selling rare coins as investments. And diamonds, art prints, etc. This is fine. But as the west's leading coin dealer for three generations (almost half a century), we believe we can offer you much more than the Johnny come latelies.

Superior's staff of expert professional numismatists have earned the respect of collectors, investors and their peers throughout the industry in virtually every area of specialization . . . ancient coins, world issues, United States rare coins and currency, et al. **We have helped assemble some of the most important collections in America . . . and are ready to use these same resources in building your collection/investment portfolio, no matter what your budget is.**

Our philosophy is simple. Stay away from anything other than time-tested coins with a proven track reocrd and a consistent history of being in demand. We will choose only those coins that collectors will eventually want when the time comes for you to sell. **And this leads us to suggest our new Brilliant Uncirculated Silver Dollar Acquisition Program.**

WHY SILVER DOLLARS

The large U.S. silver dollars, not minted since the 1930's, are the most popular coins with collectors, investors, and even the general public who used to enjoy giving them as presents . . . when they still could be purchased from banks for a paper dollar! Each silver dollar contains 416 grams of pure silver, giving it a high intrinsic value. The "Morgan" silver dollars, minted from 1878 to 1921, and the Peace silver dollars, produced from 1921 to 1935 are all beautiful coins . . . particularly the Brilliant Uncirculated specimens which we strongly, recommend for purchase.

Lastly, and perhaps most important, silver dollar mintages have felt the ravages of time. Under the Pittman Act of 1918, over 270 million Morgan silver dollars were melted by the government! **Fewer than 1 in 100 of those originally made have survived in the Brilliant Uncirculated condition that most collectors prize.**

Silver Dollars have shown amazing price appreciation, tripling in the past five years, with increases generally of 50% to 300% just in the last twelve months!

While past performance cannot give assurance of future trends, we strongly feel that silver dollars as a whole will continue to pace the numsimatic market. And we are not alone.

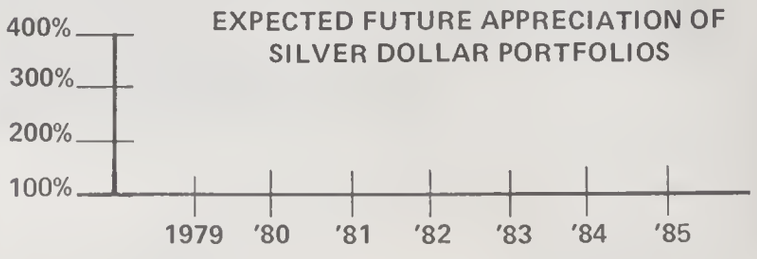
In recent years, considerable serious research has delved into the silver dollar field. Out of such studies has emerged expert estimates of how many of the silver dollars minted 50-100 years ago have survived in Brilliant Uncirculated quality. The findings of one researcher, Les Fox, are summarized below:

TYPE	ORIGINAL MINTAGE	% LOST	% SURVIVING	
			UNC	CHOICE BU
MORGAN	657 MILLION	78	2	0.2
PEACE	191 MILLION	69	9	0.5

This means that perhaps as few as 2.5 million Morgan dollars and less than a million Peace dollars are extant in Choice Brilliant Uncirculated condition. By dividing the 2.5 million Morgan dollars into the 98 different dates and mint-marks, one determines that the average number of choice pieces available per date is a miniscule 25,000! Similiarly, for the short-lived Peace dollar series, there is an estimated average of only 40,000 choice coins per date!

Is there any wonder then, that researcher Fox predicts across the board increases of over 200% in the next decade for choice Morgan dollars, and over 400% for the Peace dollars. Individual coins in both series carry projected price increases of as much as 1000% in just the next ten years!

Actually, based on recent market activity and world economic conditions we believe that these projections may prove to be on the conservative side.



No we didn't make a mistake. The above graph was intentionally left blank . . . since the only graph that should interest you is the actual performance of the silver dollars in your portfolio!

This is an exclusive offer.

Because we want to give our clients the individualized time and service that they deserve, we are offering this Silver Dollar Acquisition Program only to our past customers and friends . . . readers of our popular publication "Money Talks," bidders at our record-setting auction sales, etc. No more than 100 applicants will be accepted so that we can maintain the Superior standard. The staff of Superior Stamp & Coin Co., Inc. will do everything in their power to insure your complete satisfaction. Otherwise we wouldn't deserve your business.

Your silver dollar selections will be carefully balanced to create a diversified investment portfolio that will optimize your chances for appreciation of at least 20% per annum . . . or 40% or possibly more. And it doesn't matter whether you sign up for $100 per month or $1000 . . . you will still be treated as though you were a Rothschild. (By the way, it is worth noting that the Rothschild fortune was founded on trading in rare coins.)

All coins are subject to your approval, and you may cancel the program at any time.

Read the full details of how the **Superior Silver Dollar Acquisition Program** works and then rush the registration form to us in the convenient "Business Reply Envelope."

Important Information Regarding Superiors' Silver Dollar Acquisition Program

How does the Superior Silver Dollar Acquisition Program Work?

It is really quite simple. First you decide how much you wish to invest each month . . . or perhaps you would prefer a single "lump sum" portfolio. Note that this amount can be changed whenever you wish, or the program can be cancelled. There are no contracts.

We will ship your first silver dollar selections immediately. If you wish you may charge your purchases on any major credit card, otherwise please send numismatic and banking references, and we will establish credit for you as quickly as possible.

Your personal numismatic consultant then takes over. You might receive a single rarity, or a few. Perhaps a full roll of 20 glittering Brilliant Uncirculated silver dollars. It will be something different each time . . . chosen just for your diversified Silver Dollar Portfolio. Every coin will be a beautiful Brilliant Uncirculated specimen and will be shipped via registered first class mail.

Should you have any questions or comments about your silver dollars, you are invited to call or write to your Superior advisor. We promise a speedy reply. Of course, any coins that you do not wish to keep for any reason, may be returned within two weeks for an alternative selection or full refund.

Please keep in mind that Superior is not just another rare coin investment firm. Remember our nearly half century of service . . . our staff of internationally recognized experts . . . our reputation. We are proud to hold active memberships in the Professional Numismatists Guild, American Numismatic Society, International Association of Professional Numismatists, and numerous regional and specialized numismatic organizations.

We look forward to being of further service in all of your hobby and investment needs.
